You have no messages to display.  
Click the New Text button to send a text.

Conversations: 0 Loaded | 0 Unread Messages: 0 Loaded | 0 Unread

3. On the general tab, the subscribed package appears below "Package Type".

The screenshot shows the AT&T Landline Texting web application interface. At the top, there is an orange navigation bar with the AT&T logo, the text "AT&T Landline Texting", a "New Text" button, and status indicators for "Keywords Off" and "Auto Reply Off". The user profile "Test Person" with email "jdoe@(555) 111-2222" is visible in the top right.

The main content area is divided into a left sidebar and a main panel. The sidebar contains a search bar, a "Preview" section with "Off" and "On" radio buttons, and a list of "All Conversations". The main panel displays the message "You have no messages to display. Click the New Text button to send a text." A "Settings" modal window is open in the center, showing the "General" tab. The modal includes a "Display Name" field with the value "Test Person" and a "SAVE" button. Below this, the "Package Type" is listed as "Premium", and the "Usage" is "You have unlimited texts/MMS".

At the bottom of the interface, there are status indicators: "Conversations: 0 Loaded | 0 Unread" and "Messages: 0 Loaded | 0 Unread".
